

**GOVERNMENT OF TELANGANA
DEPARTMENT OF HORTICULTURE**

From
Sri. L.Venkatram Reddy,
Director of Horticulture
Telangana State, Hyderabad.

To
The Collector &
District Magistrate
(As per List.)

Lr. No. NMEO-OP/88/2022, Dated: 4-07-2022

Sir,

Sub:- Horti. Dept. - NMEO-OP - Implementation of Oil palm area expansion programme during 2022-23 – Slow progress reported by the Districts – Monitoring of progress regularly to achieve the progress as allotted - Requested - Reg.

- Ref:- 1. AAP & Implementation guidelines for NMEO-OP – 2022-23 communicated to Districts, Dt:14.06.2022.
2. Progress reported by the districts as on date.

Telangana State is one of the potential states for Oil Palm cultivation in India. Till date, area covered under Oil palm in Telangana State is 68,440 acres till 2021-22 with a productivity of 8 MT of FFB per acre and Oil Extraction Rate (OER) for 2020-21 is 19.22 % which is highest in India.

The Government of Telangana has allotted Factory zones to (11) companies for taking up Oil palm area expansion in (27) districts. So far (30) nurseries with a capacity to raise 2.29 crore seedlings per annum are established by the companies across the state. Allotment of factory zone to the balance districts is under progress.

Keeping in view of the potentiality and several advantages of Oilpalm like highest oil yield per unit area, moderate inputs reducing cost of cultivation, carbon sequestration, irrigation requirement is 4 times lesser than paddy, etc., the Government is keen to promote Oil palm in a big way for sustainable income to farmers.

It is proposed to cover 20.00 lakh acres under Oil palm as a part of crop diversification over a period of time and a target of 2.07 lakh acres is allocated to the districts during 2022-23. Action plan was already communicated to districts vide ref.

1st cited and implementation is under progress. Month-wise targets are also allocated to districts.

Oil palm area expansion is the flagship programme of Telangana State and the progress is being monitored by the Chief Secretary to Govt., TS on a regular basis. Weekly meetings are also being conducted by this Department with the District Horticulture & Sericulture Officers, Oil palm companies and Micro Irrigation Companies for reviewing the progress, to discuss the issues and resolve accordingly.

In this regard it is to inform that, as against the target allocated of 5,496 acres in June, 2022 and 18,041 acres in July, 2022, the achievement made so far is only 1,869.18 acres and 2,431.37 acres respectively.

The District-wise & Month-wise targets & achievements are herewith enclosed for information and it is requested to monitor the implementation of the programme by arranging regular meetings with the DH&SOs, Oil Palm & Micro Irrigation Companies so that the targets are achieved as allotted.

Encl: as above

Yours faithfully

Director of Horticulture

Copy to the DHSOs of the concerned District.

Copy to ps to Dept for kind information.
