

**GOVERNMENT OF TELANGANA
DEPARTMENT OF HORTICULTURE**

Circular- 1

No.OP/60/2023 06 May 2023

Sub:- Horticulture Department –NMEO – OP - Oil Palm Area expansion
Programme – Action Plan for 2023-24 – Regarding

Ref : GO Ms No 13 Dt. 25.04.2022 of Agri & Coop (H&S) Dept. GOTS

1. All the Collectors are aware of the importance the State Government is attaching to the Oil Palm Area Expansion Programme. During the year 2022-2023, with the support of the district administration, a record of 82000 acres of land has been brought under oil palm cultivation in the state.
2. In our state Oil palm cultivation and palm oil processing is regulated by the Telangana Oil Palm (Regulation of Production and Processing) Act 1993 (Act No.3 of 1993). Accordingly, factory zones have been allotted to (11) companies and they are operating in (27) districts of the state.
3. The (11) Oil palm companies operating in the state have imported seed sprouts from June 2022 onwards and are raising seedlings in their nurseries for supply to farmers during plantation year 2023-24. The district wise anticipated oil palm plants available for area expansion during the period from June 2023 to Feb 2024 is shown in **Annexure-I**. The Annexure -I gives the month-wise area expansion targets for all the districts.
4. District Collectors are requested to prepare a District Action Plan for the area expansion in their respective districts in accordance with the area expansion targets shown in the Annexure.
5. The ingredients of the District Annual Action Plan are
 - i. Mobilization of Farmers
 - ii. Drip Irrigation survey, sanction and installation
 - iii. Oil Palm plantation- sanction and plantation
6. This circular will highlight some steps to be taken by the district administration on each of the above ingredients of the action plan.
 - i. Mobilization of Farmers:**
 - a) Identify mandals and villages to target for each month of the year. Focus should be on mandals with sufficient irrigation potential and possibility for crop diversification.
 - b) Conducting awareness programmes to farmers on Oil Palm expansion.

- c) Wide publicity should be given in the Districts and farmers should be motivated towards Oil palm cultivation by conducting extensive awareness programmes involving line Departments and Oil Palm Company.
- d) Beneficiary identification should be done for 150 % of the area on monthly basis that is proposed to be covered during the financial year and should be a group of mandals.
- e) Horticulture Officers and Oil palm company field staff shall register the farmers through the Mobile App only.
- f) Registration of interested farmers for Drip and Oil Palm plantation for the year 2023-24 shall be done from 08.05.2023 onwards.
- g) Performance of the District will be assessed based on farmer mobilization and registration.

ii. Drip Irrigation survey, sanction and installation

- a) Preliminary field inspection shall be done by the Horticulture Officer / Field Staff of Oil Palm Company and MI Company for ascertaining the suitability for Oil palm cultivation.
- b) The farmer contribution towards Micro irrigation as per BOQ generated shall be collected and remitted to the concerned account with the DHSO.
- c) Once the farmer contribution is received the administrative sanction has to be issued for Drip installation through the online mode only.
- d) Drip installations shall be completed within 10 days from issue of administrative sanction.

iii. Oil Palm plantation- sanction and plantation

- a) The farmer contribution towards plant material @ Rs. 20/- per plant collected and remitted to the concerned account with the DHSO.
- b) Once the farmer contribution is received the administrative sanction has to be issued for Oil Palm plantation.
- c) Once the drip installations are completed, quality seedlings to be issued to the farmers from Oil palm nurseries for completion of plantation.
- d) All the above operations i.e. Farmer registration to inspections and sanctions shall be done through the Oil palm Mobile app and web portal.

7. The District Collectors shall ensure that, the farmer identification and issue of administrative sanction to the extent of area proposed to be covered as per month wise action plan should be done in advance.

8. Regular monitoring with District Horticulture Officers, concerned Oil Palm Company and Micro Irrigation companies shall be done for implementation of the programme as per the plantation schedule.

Encl : District Wise, Month Wise area proposed to be covered.
