Letter No.477/Exams/2022. Dated:02/05/2023

Sir/Madam,

SUB: TSPSC – Examinations – **Identification of educational institutions in the District having good infrastructure and facilities** for conduct of Group-1 Services Preliminary written examination Scheduled to be held on 11/06/2023 – Request – Regarding.

*** **

I am to inform that the Commission has scheduled to conduct the Group-I Services Preliminary examination on **11/06/2023** Fore Noon in 33 districts of Telangana State. Total about 3.80 lakhs candidates have to appear for the said examination. The district-wise accommodation required details are annexed to this letter.

The Commission intends to conduct the examination in safe and secure manner under supervision by the respective District Collectors.

I am therefore to request you to make necessary arrangements to identify the suitable educational institutions having good infrastructure like proper lightning, ventilation, good furniture, drinking water, toilets and transport facility and easily accessible to the candidates from Bus stand / Railway station etc., for 250 and above candidates at the district level in your district to conduct the above written examinations.

It was noticed in the earlier Group-I Preliminary examination that in some venues seating arrangements were not in a proper manner and candidates were placed close to each other which is not desirable in the conduct of examination. Hence, it is requested to only provide such rooms where a reasonable distance can be maintained between candidates and each room should be able to accommodate either 24 candidates or 48 candidates.

During the procurement of venues, it must be ensured that:

- a) Venues having CC Camera surveillance shall be preferred
- b) CC Cameras in Chief Superintendent rooms are mandatory in which the Confidential material will be opened, distributed and Used OMR sheets will be collected, counted, packed and sealed.
- c) Tables and chairs or benches meant for seating the candidate in the examination hall should be of good standard.
- d) Dual Desks / Chairs with hand rests must be arranged to write the examination by candidates since their writing pads are not allowed.
- e) The seats should be arranged in rows allowing approximately 2 Sqr meters of space for each candidate

//2//

- f) 24 or 48 candidates only must be accommodated in a room (except last room).
- g) The Venues must not give consent to any other examinations on the same date

The Heads of Institutions / In-charges of the concerned venues identified may be requested to furnish the accommodation details ONLINE through the Link <https://websitenew.tspsc.gov.in/csMobileLogin> (Chief Supdt Login) **by 08/05/2023**. The details of venues of your district may be monitored i.e., obtaining accommodation details from Institutions and to furnish to TSPSC through the link <https://websitenew.tspsc.gov.in/login> (Collector's Login) **by 10/05/2023**. The Login credentials are User-ID **collxxxxxxx** and Password _____.

It is to inform that since the examination will be conducted in summer vacation, the day prior to the examination i.e., 10/06/2023 and also the day of examination 11/06/2023 may be declared as working day to the educational institutions which provide accommodation for the Group-I Preliminary Test as they have to make seating and other arrangements for conduct of Group-I Preliminary Test on 11/06/2023.

It is to inform that out of the list, sufficient venues will be selected by the Commission as per the requirement and necessity and the Commission's decision is final for selecting the institution as examination venue and allotment of candidates.

This may be treated as IMPORTANT and given HIGH PRIORITY as many items of work are linked to the above information and every care has to be taken in the selection of examination centre for conduct of examination in a fair and smooth manner keeping in mind the convenience of the candidates.

In case of any clarification or guidance required on registration of venues, it is requested to contact the following numbers.
