3.This office Show cause Notice Rc.No.A1/2422/2022,dtd:20.01.2023.  
XXX

I invite kind attention to the reference cited above and submit that, **Dr A. Sanjeevaiah DCHS** has been repeatedly given show cause by the undersigned for dereliction of duty, unethical practices and not adhering to the instructions of the Government.

In the last (3) months, 3 Show Cause Notices have been issued to him.

**Show Cause - 1**

A meeting was called on 23.11.2022 @ 10:30 AM on District Hospital issues. However, DCHS remained absent from the meeting without informing the undersigned.

Upon enquiry it was found that he was attending personal work in Hanamkonda town.

**Show Cause - 2**

During the monthly meeting to review the work of District Hospital conducted on 01-11-2022 certain instructions were given for improving the services rendered to the patients:

- Keep one responsible person at the reception centre at the District Hospital to assist the patients.
- To ensure that all staff put their attendance only through the biometric system

The undersigned visited the District Hospital on 30-12-2022. During the visit it was

found that none of the instructions were followed. There was no person to attend to the visitors at the reception desk. Further, **irregularities in marking attendance** for the month of November & December were observed for which the DCHS had no satisfactory explanation.

**Show Cause - 3**

The undersigned visited the DMHO Office (operating from District Hospital Campus) on 17-02-2023 @ 3 PM. It came to the notice that DCHS is not attending to his duties. Upon enquiry it was found that he was at **Parkal Town** in Hanamkonda District. The DCHS reported to duty only after getting calls from the undersigned and that too after 40 minutes. The DCHS gave no explanation why he was in Parkal town and not attending his duties.

It is to bring to your kind notice that DCHS operates a private nursing home in Parkal town and he has been found engaging in private practice during official duty hours which is a gross violation of the instructions of the Government. The patients and public representatives visiting the hospital have frequently complained that the DCHS is not available in the Headquarters.

Such behaviour of DCHS has tarnished the image of the District Hospital and is bringing bad name to the Medical & Health Department and is adversely affecting the delivery of medical services to the patients.

In view of the above, I request you to **initiate disciplinary action against Dr. A. Sanjeevaiah, DCHS, Jayashankar Bhupalpally** for the above mentioned lapses towards his legitimate duties.

This is submitted for kind information and necessary action.

Yours faithfully

District Collector,  
Jayashankar Bhupalpally
